

## What is FundScrip?

FundScrip is a fundraising program that allows you to pay for your everyday purchases with gift cards bought from FundScrip. A percentage from the cards that you purchase is then donated to Ninth Life Cat Rescue of Ontario. You can also purchase them for gifts for holidays, birthdays and anniversaries. *There are over 170 national retailers to choose from!*

You don't have to change where you shop or what you buy, your everyday purchases add up to make a difference very quickly. It's simple, you purchase gift cards at face value from FundScrip Participating Retailers, and a percentage of every gift card purchased is donated back to Ninth Life. This means that just by paying for your groceries and gas with gift cards, you can easily generate \$25 every month for Ninth Life – that's \$300 a year! The money raised will help with essential rescue costs such as vet bills.

## The Basic Concept

Encourage supporters of your campaign to pay for their everyday expenses & gifts with gift cards bought from FundScrip. Each purchase generates earnings for the campaign. The supporter isn't out of pocket, and they shop where they would normally shop.

1

### Buy \$100, Get \$100

Buy cards at face value, get face value at the retailers - you lose nothing

2

### Shop As Usual

With cards from over 190 leading retailers, there's no need to change your shopping habits

3

### Pay With Gift Cards

Pay with gift cards instead of credit/debit/cash for your everyday items & gifts

4

### Generate Earnings

Each purchase generates earnings for your group that can quickly add up over time

## How does it Work? What is the Cost?

- ✓ We have chosen to do 'supporter ordering', which means that as a supporter you can place and pay for your own orders online.
- ✓ You can choose from plastic, reloadable and electronic gift cards.
- ✓ Think about paying for everyday purchases like gas, groceries and restaurants with gift cards
- ✓ Great gifts for any season – think about birthdays, holidays, anniversaries, date night, thank you gifts for teachers, baby showers, wedding showers...
- ✓ Because retailers consider a gift card like cash, they can be used with regular store promotions, sales and discounts
- ✓ Payment can be made with Electronic Funds Transfer (EFT) or Online Bill Payment and will have no cost per transaction.
- ✓ You can also pay with Visa or MasterCard, in which case 1.99% of order total/transaction is deducted from the earnings. For example, if you order from a company who donates 5% and pay with a credit card, the rescue would receive 3.01%.
- ✓ There is a small delivery charge for plastic cards.
  - Orders with four (4) or fewer cards whose collective value is less than \$500 can be shipped via Canada Post Lettermail™ for \$0.85 (plus taxes) per order.
  - All other orders have the option of Canada Post Xpresspost™, which typically costs between \$4.50 to \$11.00, or Canada Post Xpresspost™ with Signature which costs between \$6.00 to \$12.50. Prices may be higher for remote locations. Applicable taxes included in all prices.
  - Electronic gift cards do not incur any shipping charges.
  - Reloadable cards are managed in your online FundScrip Wallet
- ✓ Check in for Monthly Promotions when certain retailers will donate a higher percentage to the rescue, the best time to stock up!
